To Whom It May Concern:

SickKids Foundation is extremely pleased to recommend to you an exciting opportunity to support The Hospital for Sick Children (SickKids) through a community fundraiser called Hopefest presents Music 4 Miracles which supports Marnie's Studio.

Because of the support SickKids receives from Hopefest presents Music 4 Miracles and community initiatives like it, important advances have been made in child health research, new life-saving medical equipment has been purchased for our clinics and operating rooms, and our young patients continue to receive the best care that science, technology, and compassion have to offer – here in Toronto and around the world.

In order to ensure success, Hopefest presents Music 4 Miracles requires support from companies, organizations, and individuals who share their vision and hope for improved child health. It is my hope that you will consider supporting this initiative. Your commitment will not only ensure that Hopefest presents Music 4 Miracles is a fundraising success, it will also make a real difference in the lives of children today and for generations to come.

If you are able to lend your support to this event, please accept our deepest gratitude. Please note this letter is valid for one year from the date issued. Should you have any questions, please call me at (416) 813-7990.
